

COMMISSIONERS OF RIDGELY
APRIL 8, 2015
BUDGET WORKSHOP

The Commissioners of Ridgely met on the above date at 9:00 am in the Ridgely House for a budget workshop. The following were in attendance: President John Hurley, Commissioner John Buckle, Commissioner Anthony Casey, Clerk-Treasurer Stephanie Berkey, Director of Public Works David Crist, and Chief of Police Gary Manos.

President Hurley opened the meeting.

There was a discussion regarding upcoming items that will need to be included in the budget including:

- Paying off the Maryland Avenue loan
- Trash contract and rubble and brush
- Train Station/State Highway Grant funds
- Radios for the police department
- Health insurance numbers are still unavailable, will be available late April

The Commissioners agreed that a new savings account should be opened for the budgeted severance set-aside so that the funds can accumulate each year. When it is needed, we will have the money saved.

The Commissioners heard from each department head to discuss specific line items in the budget. The budget will be ready to be introduced for the May Town Meeting.

The meeting was adjourned at 11:00 am.

Respectfully Submitted,
Stephanie Berkey
Clerk-Treasurer
